EXAMINER INTERVIEW SUMMARY

Dear Sir:

The undersigned would like to thank Examiner Beresnevichiene for the courtesies extended in telephonic conference conducted on October 5, 2011. The Examiner contacted the undersigned to obtain approval to amend the claims to replace "tangible" with "non-transitory" to clarify that the computer readable medium is not implemented solely by a signal in accordance with USPTO recommendations. After conferring with our client, the undersigned authorized the Examiner to enter an Examiner's Amendment to replace "tangible" with "non-transitory."

Respectfully submitted,
